

PlanetMark
Certified Business

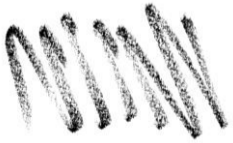

We are Planet Mark Certified

Year 1.

This is to certify that Lupa Foods has achieved the Planet Mark by reporting its carbon footprint and engaging its stakeholders.

Valid to: 30 April 2024

Empowering change for a brighter future.
The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.

Measure

Location-based

45.7 tCO₂e
Measured carbon footprint.

1.4 tCO₂e
Measured carbon footprint per employee.

Market-based

49.9 tCO₂e
Measured carbon footprint.

1.6 tCO₂e
Measured carbon footprint per employee.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.

Reporting Boundary: Suite A31 (Third Floor) & 4 Imperial Place

Emission Sources: Electricity, T&D Losses, Water, Waste, Fleet, Business Travel, Paper, Commuting, Homeworking (excluded from footprint)

Reporting Period: 01 Feb 2022 to 31 Jan 2023

Engage

32
FTE employees.
We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

Communicate

4
Sustainable Development Goals.
We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 4 SDGs.
