OVERVIEW

In this trade presenter we share our capabilities and range of products we can offer. When working with us our customers benefit from working with a long established global sourcing and supply partner. We pride ourselves on our product range and the level of service we can offer our customers, including; direct delivery from source, warehousing, repacking and nationwide distribution.

Product summary:

Rice - Extensive range of rice in multiple formats from our world-wide sourcing network.

Flours - Range of flours including rice flour, bakery flour & maize.

Couscous & Semolina - Comprehensive range of couscous & semolina products.

Peas - A variety of traditional peas.

Precooked Cereals, Grains & Pulses - Quick Cook and instant rice

IQF Rice, Pasta & Cereal - Individually Quick Frozen rice, IQF pasta and IQF cereal grains are mainly used by our customers for frozen ready meals, catering and chilled meals/salads.

IQF are Individually Quick-Frozen ingredients that have been fully cooked and then quickly blast frozen to maintain their individual form and free-flowing capabilities. This process preserves all the nutrients, colour and flavour of fresh with the added benefit of a longer shelf life and ease of use with zero waste.

We work closely with our customers to understand their specific needs and requirements and adjust accordingly. **Speak to one of our Account Managers to better understand what we can offer from a service and product point of view.**
